

CDS 130: Computing for Scientists

Spring 2022 | Section 002

Exploratory Hall L111

Syllabus and Class Policies

Instructor: Dr. Adel Slamani
aslaman@gmu.edu

Mode of Instruction:

- This face-to-face (F2F) class meets every Tuesday and Thursday from 12:00 pm to 1:15 pm in Exploratory Hall room L111. Class attendance is mandatory. All students taking this course are required to follow the university's public health and safety precautions and procedures outlined on the university's Safe Return to Campus webpage: (<https://www2.gmu.edu/safe-return-campus>).

Office and Office Hours:

- The instructor will meet with students on Tuesdays and Thursdays right after the classes to answer questions.
- Email the instructor with questions about the class materials or assignments. Make sure to include details so that the instructor has enough information to answer the questions.
- Students may contact STARS anytime by email. STARS will hold "Virtual Office Hours" via Zoom. See the Class Website for the schedule of ALL Office hours for the STARS.
- The instructor will announce any General Help Sessions being held on the class website.

CDS-130 STARS:

- The STAR to work primarily with Section 002 will be announced next week.
- The STAR will hold "Office Hours". The times will be announced on the Welcome page on Blackboard.
- For Section 002, the STAR will be the person who will grade most of your assignments and will be familiar with your work.
- Your STAR will be contacting you to offer help when we see that you may be having trouble.
- You are welcome to contact the instructor for help, but please start with your STAR.
