

**George Mason University College of Science (COS) Environmental Science and Policy
Department Graduate Research Assistantship (GRA)**

Purpose

A Graduate Research Assistantship will be awarded to either a master's or doctoral student for the academic year 2024-2025. The Fellowship provides more opportunities for Environmental Science and Policy (ESP) graduate students to serve as Graduate Research Assistants (GRAs). The intent of this GRA position is to encourage and reward students with a clear research question and approach by defraying the costs of pursuing their stated goals. Interested students should apply by identifying their area of environmental research interest and will be selected on the basis of academic merit and financial need.

Eligibility Criteria

- Applicants must be enrolled in the Environmental Science and Policy Master's program or Environmental Science and Public Policy Doctoral Program.
- Must have maintained a GPA of 3.0 or higher
- Masters Students: Must have an advisor and approved research proposal.
- Doctoral Students: Must have completed required coursework (in-progress courses count toward the completed coursework), an advisor/committee chair, an approved dissertation proposal and must have advanced to candidacy or plan to advance to candidacy in the semester they are applying (Spring 2024).

Award Funding
