

# Diva Crows: Wildlife Rehabilitation Internship

Wildlife Rehabilitation & Education located in Alexandria, VA  
specializing in songbirds and corvids of northern Virginia

As an intern with Diva Crows Wildlife Rehabilitation, you will gain valuable experience in wildlife rehabilitation and education, and receive hands-on training in all aspects of wildlife rehabilitation, including:

- Handling, restraint, and capture techniques
- Wildlife husbandry and basic medical care
- Neonate care and feeding
- Wildlife education programs and events

## Qualifications:

- Current student or recent college graduate (within two years), enrolled in a degree program in an environmental, animal-related, or educational field
- Ability to lift 50lbs, participate in light manual labor, and work hands-on with wildlife
- Ability to work in extreme weather conditions including freezing temperatures, snow, and heat
- Excellent time management and organizational skills
- Adaptability, ability to work in a fast-paced environment, and willingness to learn
- Must be reliable - an animal's life depends on it!
- Basic knowledge of Virginia wild birds and natural history preferred, but not required
- Must have access to own form of transportation
- Up to date COVID-19 vaccination required; current tetanus preferred, but not required

## Acceptance and Work Schedule:

- Part-time positions work an average of 10-20 hours per week (2-3 shifts per week) unless otherwise coordinated with a supervisor
- Flexible scheduling around school/work
- We **do not** offer housing/stipends; internship is UNPAID
- Must include a cover letter, resume, and two professional references

Job Type: Internship

Work Location: Alexandria, VA

## Benefits:

- Flexible schedule
- Hands-on experience with wildlife
- Certificate of service
- Public speaking experience
- Potential for a full-time apprenticeship
