

EVPP 336:

Human Dimensions of the Environment

INSTRUCTOR:
Sarah Weber, M.Sc

FALL 2020
3 CREDITS

MWF | ONLINE
3:30-4:20 PM

Green Leaf
Designated Course

Through a combination of lectures, class discussions, and guest speakers, students will gain an understanding of current knowledge regarding human and interactions and human ecology, as well as learning about the relationship between the biological and social sciences in the environmental field.

Topics include:

- Environmental justice;
- Climate change policy;
- Agriculture and land-use change;
- Sustainable cities; and
- Wildlife conservation – among others!
