

# EVPP 475/575:

## *Global Biodiversity Governance*

INSTRUCTOR:  
Rhema Bjorkland

Spring 2021  
3 Credits

ONLINE  
SYNCHRONOUS  
Thursdays  
4:30 – 7:10 p.m.

The course will discuss theories of the political and policy sciences and their relevance and application to global biodiversity-related policies. Assignments include:

- Four short literature reviews
- Preparation of a proposal to theoretically analyze an empirical case study of your choice
- A group simulation exercise
