

EVPP 475/575:

Global Biodiversity Governance

INSTRUCTOR:
Rhema Bjorkland

SPRING 2022
3 CREDITS

Face to Face

Thursdays
4:30-7:10 p.m.

This course will discuss theories of the political and policy sciences and their relevance and application to global biodiversity-related policies. Assignments include:

- Four short literature reviews
- Preparation of a proposal to theoretically analyze an empirical case study of your choice
- A group simulation exercise
