

EVPP 619:

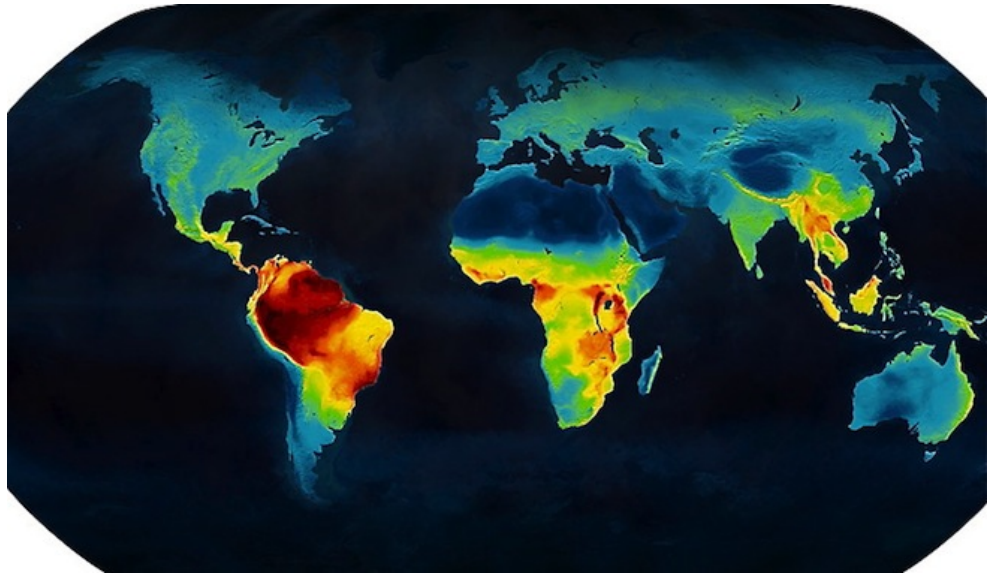

The Challenge of Biodiversity

INSTRUCTOR:
Dr. Thomas Lovejoy

Mondays
4:30 – 7:10 pm

ONLINE
SYNCHRONOUS

SPRING 2021
3 CREDITS

Under the guidance of Dr. Thomas Lovejoy, the “Godfather of Biodiversity”, students examine the history, current state, and controversies of real-life science and policy of biodiversity conservation, with an eye toward solutions.

Emphasis is placed on problem solving, communication skills, and critical thinking.

- Case studies
- Current events
- Guest speakers
- Class discussion
- Historic and current readings
- Individual and collaborative assignments
