

From Protoplanetary Disks to Programs

Dr. Hannah Jang-Condell

**Astrophysics Division, Science Mission Directorate
NASA Headquarters, Washington, DC**

Friday, December 1, 2023, 3:30 pm

Abstract: What is a Program Scientist? What goes on at NASA Headquarters? How did I end up here anyway? Find out the answers to these questions and more from one astronomer's perspective as she looks back on her career and the path she took from Protoplanetary disk Scientist to Program Scientist. Hear my story, get some career advice, and learn what your local Program Scientist can (and can't) do for you.
