

EVPP 494 Internship

About the EVPP 494 Internship course

Involves off-campus, professional student work with approved agencies, institutions, non-profits, or businesses. Work must produce one or more academic products such as: comprehensive report, departmental presentation, poster, or article. At least one substantive piece of work will be assessed for each internship credit being undertaken.

Scope of work, credits, and academic product(s) are determined in consultation with the internship instructor.

Notes: Credit will be assigned based on the number of hours participating in the internship each week: 1 Credit = 4-6 hours/week, 2 Credits= 8-12 hours/week, 3 Credits= 12-18 hours/week. Offered by Environmental Science & Policy. May be repeated within the degree for a maximum 6 credits.

Recommended Prerequisite: 60 credits and permission of instructor.

Schedule Type: Internship

Grading: This course is graded on the Undergraduate Regular scale.
