

## **Environmental Science and Policy Undergraduate Fellowships and Scholarships**

### **Litchfield Undergraduate Research in Environmental Microbiology Endowed Scholarship**

#### **Purpose**

The Litchfield Scholarship will be awarded for one year at GMU, for a full-time, in-state, or out-of-state undergraduate student who qualifies based on a research proposal in environmental microbiology.

#### **Eligibility Criteria**

- Applicants must be enrolled in an undergraduate program at GMU
- Must have maintained a GPA of 3.0 or higher

#### **Award Funding**

- Up to a maximum of \$10,000 research budget
- \$10,000 student stipend (\$5,400 during the academic year and \$3,600 during summer term)
- Tuition waiver of up to 30 tuition credits at the in-state rate (up to 15 credits in Fall and 15 credits in Spring semesters) at the university's rate during the scholarship's term.

#### **Application Process**

Students must submit the following materials by **12:00 a.m. (midnight), Sunday, February 9, 2025**, by email to the ESP Graduate Program Office at [espgrad@gmu.edu](mailto:espgrad@gmu.edu): Applicant Cover Letter, Proposal, References, Budget and justification, CV, letter of recommendation from advisor (to be submitted separately). Please include "Undergraduate Student Scholarship Application" in the subject line of the email.
