# Mason Energy ONE

## Pathways to Support

**Inaugural Clean Energy Summit**  
**October 24 - 25, 2023**

Clean energy is the way of the future. The Mason Energy ONE Summit will bring leaders and experts from the private and public sectors-- government, industry, and academia, to create an open dialogue on clean energy, society, and the future of our planet.

The Mason Energy ONE Summit offers your organization exceptional opportunities to support the future of clean energy across the region, the nation, and the world.

# Mason Energy ONE

**Partner with the College of Science for the inaugural Mason Energy ONE Summit at Mason Square, George Mason University in Arlington, Virginia.**

## **Tentative Schedule:**

- Day 1: Tuesday, October 24, 2023
  - Workshops (2-4 sessions)
  - Opening reception
- Day 2: Wednesday, October 25, 2023
  - Breakfast plenary
  - Morning plenary (3 sessions)
  - Keynote plenary (lunch)
  - Afternoon plenary (3 sessions)
  - Closing plenary

# Mason Energy Sponsorship Levels

By supporting Mason Energy ONE, you will join a select group of clean energy leaders committed to advancing equitable, systemic solutions to the carbon and climate dilemma.
