

**Math 113-003**  
**Calculus 1, Spring 2022**

**Instructor:** Dr. Mary Nelson

**Office:** Exploratory Hall, Room 1405

**Email:** [mnelso15@gmu.edu](mailto:mnelso15@gmu.edu) (preferred method of contact)

**Office Hours:** MW 10:30am – 12:00 pm,  
Email if you wish to meet outside those hours, and feel free to stop  
by my office for help whenever I am there.

**Class Time and Location:** MW 1:30-3:20 am Horizon Hall 1014

**SAS course:** This course is a Scholarly Inquiry Course. “Students will understand how knowledge is generated and disseminated through scholarship, and the importance of scholarship to society,” by addressing the following: (1) distinguish between personal beliefs and evidence; (2) evaluate credibility of source information; and (3) understand how knowledge is transmitted within a discipline, across disciplines, and to the public.

**Text:** Our text is *Calculus Early Transcendentals, 14<sup>th</sup>* Edition, by Thomas . We will cover Chapters 1-5. You are not required to have the MyMathLab code. You do not need a hard copy of the book. An electronic copy is fine. If you want extra homework practice, you can purchase the homework code along with an any copy of the book, but it will not count toward your grade as outlined below..

**Calculators:** Calculators are **not** permitted on in-class quizzes and tests. Graphing calculators will be helpful in class and for homework.

**Homework:** Homework will be assigned regularly and will be graded for correctness/completeness. I expect students to work all assigned homework problems. I encourage students to work together on homework, but any work that is graded must be a student’s own work. I will not accept a group solution to a problem. Assignments that are copied will result, at a minimum, in a grade of a zero on the assignment for all participants.

**To Enroll in Homework:** See registration directions in blackboard

**Course Name:** Calculus 1, Spring 2022

**Course ID:** nelson10376

**Exams:** Three unit examinations will be given during the semester. *Tentative* dates are February 23, March 23 and April 20.  
**Note:** These dates are subject to change. It is the responsibility of the student to be aware of any changes announced in class.

**Make-up work:** There will be no make-up exams. I will not give make-up quizzes or accept late homework, but I will drop one quiz and one homework assignment.

**Quizzes:** There will be occasional unannounced in-class quizzes

**Final Exam:** **May 11, 1:30pm—4:15pm.** The exam will be comprehensive.

**Grades:** Final grades will be weighted as follows:

Tests (3):	100 points each
Homework/ quizzes:	100 points
Final Exam:	200 points

The grading scale will be: A's: 90-100%; B's: 80-89%; C's: 70-79%; D: 60-69%; F: 59% and below. "+" and "-" grades may be given to borderline grades, as appropriate.

**Important Dates:** Last day to add a class: January 31  
Last day to drop a class: February 7 (100% tuition return):  
Last day to drop a class: February 14 (50% tuition return)  
Spring break: March 14- 19  
Last day of classes: May 7

**Disability Services:** If you are a student with a disability and you need academic accommodations, please notify me and contact the Office of Disability Services. All academic accommodations must be arranged through that office.

Office of Disability Services (ODS)
