

Lee and Marty Talbot Foreign Student Endowed Scholarship

Purpose

To help students from developing nations, who need financial assistance, to come from their foreign country of residence to pursue either an MS or PhD degree in the Environmental Science and Policy Department. The recipient must intend to pursue a degree in conservation biology or a degree that combines environmental policy to seek solutions to environmental problems.

Eligibility Criteria

- Applicants must be enrolled in (or have applied to) the Environmental Science and Policy Master's program or the Environmental Science and Public Policy Doctoral Program.
- Applicants must have nationality from a developing nation as outlined by the Office of the United States Trade Representative:
(https://ustr.gov/sites/default/files/Designations_Note_2020-02524.pdf)

Award Funding

Master's students: \$9800 Academic Year stipend

PhD students: \$12,000 Academic Year stipend

Application Process

Students must submit the following materials by **12:00 a.m. (midnight), Sunday, February 9, 2025**, by email to the ESP Graduate Program Office at espgrad@gmu.edu: Applicant Cover Letter, and letter of recommendation from advisor (to be submitted separately). Please include "Graduate Student Scholarship Application" in the subject line of the email.
