

CDS 292: Network Analysis

Syllabus Part 2

Fall 2021

This syllabus is split into three parts:

1. Part 1: General Course description
2. **Part 2: Instructors**
3. Part 3: Calendar

Section 1: TR 10.30 - 11.45 AM

Instructor Valentin Vergara Hidd

Email vvergara@gmu.edu

Class Meetings This is a synchronous class. As such, we will meet twice a week in this [zoom meeting room](#). Note that you don't need a password for the meeting, but you **must be authenticated** using your Mason *netid* to log in to zoom. You will also find a direct link to the class session in Blackboard

Office Hours Every Thursday from 12PM to 1PM I will hold *walk-in* office hours in this [zoom meeting room](#). If you need additional office hours, send me an email and we can schedule it. Please, allow some time for me to schedule our meeting (i.e. email me at least 1 day before the time you want to meet).

Time to respond emails We created this class to minimize the amount of work you should do over weekends. With that in mind, I will respond to emails within a day during the week (Monday to Friday).

Section 2: TR 9.00 - 10.15 AM

Instructor Arie Croitoru

Email acroitor@gmu.edu

Class Meetings This section will be delivered as an online synchronous class. As such, we will meet twice a week in this [zoom meeting room](#). Note that no password is required to join the sessions but you **must be authenticated** using your Mason *netid* to log in to zoom to join our sessions. You will also find a direct link to the class session in Blackboard

Office Hours Every Monday from 3:00PM to 4:00PM I will hold *walk-in* office hours in this [zoom meeting room](#). If you are unable to meet during office hours, please send me an email with your availability and we will coordinate a time that is convenient for both of us. Please, allow some time for me to schedule our meeting (i.e. email me at least 1 work day before the time you want to meet).

Time to respond emails I will respond to email messages within 24 to 48 hrs, Monday through Friday. Emails sent during weekends and holidays will be responded to on the following Monday.

STARS (both sections)

Formally, the STARS for this class are assigned to a section. However, feel free to reach to both of them for office hours or content questions. If you need help with topics such as grading reviews, contact the STAR assigned to your section.
