## Virtual Events

### Mason Mappers

Mason Mappers will be holding elections for the 2020-2021 academic year. Polls are now open during the week of **April 13 to April 17**.

### Sci-Fi and Fantasy Map Hack-a-thon

Thursday, April 16th from 7pm-8pm

Password: fantasy

This is a de-stress event for students to create any kind of story/fictional map with any medium they choose.

### Earth Day Map-a-thon

Wednesday, April 22nd from 7pm-9pm

Password: earth

We'll be helping the earth by mapping its most vulnerable places and create safe pathways to conserving ecosystems.

### Campus-Wide

### University Town Hall via GMU TV

Friday, April 17 from 10:30am-11:30am

Interim President Anne Holton will provide an update on the university's response, then she and her leadership team will be available to take questions from students and their families, faculty, staff, alumni and friends.

Submit your questions in advance or during the event [here](#).

### Career Services

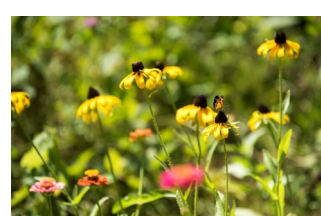

### Webinar: Create a Powerful Resume or CV for a Global Market

Thursday, April 16 from 11am-12pm

Join us for this strategic training on how to create a resume or CV that helps open doors and get results! Bring your resume or CV and ask your questions so you can make immediate changes.

**TO REGISTER:** Create an account at [www.PassportCareer.com](http://www.PassportCareer.com) with the Registration Key: gmuniver. Click on "Global Career Training" and find the online trainings (webinars) of interest. Click on the registration link to join the training.

## Resources

ESRI is offering e-book access at no charge to students [here](#).

Springer also has a listing of some free e-books [here](#).

Apply for GMU's COVID-19 Student Emergency Assistance Funding [here](#).
