Graduate Teaching Assistant Application- CSS Program (AY 21-22)

The Department of Computational & Data Sciences, Computational Social Science program (CSS) is seeking applications for one Graduate Teaching Assistant (GTA) for the next academic year (Aug. 25, 2021 – May 24, 2022).

This application is available to current full-time CSS graduate students only

The GTA will be awarded a one-year contract, which will include a stipend at the COS rate (currently \$22,000), up to 6 credits of tuition (at in-state rate per credit, applied to out-of-state students as well), and the university's health insurance plan.

To apply, kindly fill in this form and attach the required documents (see instructions below).

Last Name:

First Name:

G-Number

Student Status:

Full Time

Degree Program

Number of Credits (to date):

GPA:

CELT D Test Score:

(For International student only)

*If you have not taken the CELTD (previously SPEAK) test, please see:
